Water conservation request lifted for Wainiha and Haena customers

9:00 A.M. (Final Update) HAENA - The Department of Water (DOW) has lifted the water conservation request for customers in Wainiha and Haena as of 9:00 a.m., today. Our water tank levels in the area have stabilized and customers may now resume normal water usage and consumption.

DOW thanks customers in Wainiha and Haena for their conservation efforts and cooperation.
